Statement regarding the REACH regulation (EC No. 1907/2006)

Dear Valued Customer,

In response to your inquiry regarding our compliance with the REACH regulation, please be advised that when using these products, Calex does adhere to the December 18, 2006 European Commission (EC) regulation 1907/2006 (REACH).

We are working diligently and continuously with our suppliers to obtain the latest information and updates our database regarding their products. Our goal is to decrease and eliminate SVHC usage in our products.

Having evaluated supplier certifications and material composition declarations, as well as Calex's specifications, Calex has, to the best of its knowledge and belief, determined that: Calex products may contain one or more EU REACH SVHC candidate substances in excess of 0.1% by weight.

Since Calex provides various kinds of products, the SVHC substance and concentration may be different, we will reply REACH report by each individual product.

For REACH report for a specific model, please contact us at sales@calex.com.

Authorized signatory for Calex Mfg. Co., Inc.:

Jay vanWormer
Associate Director-Quality, Safety and Environmental Compliance
